

Accessing your Symantec Data Loss Prevention 15.1 product documentation

Where to access the Symantec Data Loss Prevention 15.1 product guides

Before you install or upgrade to Symantec Data Loss Prevention 15.1, see the Symantec Data Loss Prevention 15.1 Documentation Library page at the Symantec Support Center:

<http://www.symantec.com/docs/DOC10941>

The product guides are updated periodically. Click "Subscribe to this Article" at the Support Center to receive notifications about updates to the guides.

In addition to the product guides, you can access online Help from the Enforce Server administration console, or directly at https://help.symantec.com/home/dlp15.1?locale=EN_US.
