

Accessing your Oracle 12c SE2 documentation

Where to access the Oracle 12c Standard Edition 2 Release 2 documentation

Before you install or upgrade your database to Oracle 12c Standard Edition 2 Release 2, see the *Symantec™ Data Loss Prevention Oracle 12c Standard Edition 2 Release 2 Installation and Upgrade Guide* at the Symantec Support Center:

<http://www.symantec.com/docs/DOC10713>

The guide is updated periodically. Click "Subscribe to this Article" at the Support Center to receive notifications about updates to the guide.
